

The background of the cover is a complex, abstract composition. It features a dense network of thin, white, hand-drawn lines that radiate from the center, creating a sense of movement and depth. These lines are set against a dark, textured background that appears to be a close-up of a woven fabric or a similar material. In the lower right quadrant, there is a prominent circular element that resembles a stained glass dome or a similar architectural feature. This dome is composed of numerous small, overlapping, teardrop-shaped segments in various colors, including shades of yellow, orange, red, and purple, all set within a dark, possibly black, frame. The overall effect is one of intricate detail and vibrant color contrast.
